Participation in Patriarchal Council - Sobor

We send our cordial gratitude to all participants and authors of written submissions to our Parish Mini-Council (Soborchyk), which took place last Sunday. Four delegates have been selected to represent our Parish at the regional level. Our deliberations have demonstrated the depth and complexity of the themes related to the life and growth of our Parish in particular, and our Church in general, which are impossible to be encompassed in a short time. Nonetheless, one could notice a positive feedback on holding such discussions in the first place, as a step to strengthening and development of our Parish Community. On that note, we will develop a plan for more of such encounters and exchange of ideas about organization of our Parish life. We will keep you informed regarding a progress of Regional and Eparchial Sobors as well as our plans to continue such encounters and exchange of ideas in our Parish.
