'No man is an island' is a quotation from the English meta-physical poet John Donne (1572-1631). The idea is that human beings do badly when isolated from others and need to be part of a community in order to thrive.

Saturday, Oct 13. our parishioners demonstrated again that "a Christian is not an island". We pray together. We work together. We enjoy life together. We enjoy each other's company. Thank you Steve, for organizing this event.

Update - Church Land Sale

A due diligence extension to February 28, 2019 is needed.

Closing will occur 15 days after the waiver of the due diligence. On October 18, the Committee of Adjustment for the City of Hamilton approved the severance for the sale of the Church land subject to the satisfaction of seven conditions and expiry of the appeal period. The conditions include an updated surveyor's reference plan, approval of several variances, zoning of parking lots, approval of certain easements and a storm water drainage plan. The buyer feels all conditions can be met and is working diligently to complete the conditions, at his cost. These conditions need other committee meeting approvals, which cannot be held until the New Year. The buyer has approved our use of _____ of the purchase price deposit on a non-refundable basis.

This will greatly help our cash flow needs. Should all conditions be met earlier and approved by City committees, the closing will be moved up accordingly. Thank you for your patience.

Jerry Pekaruk
